

(to the tune of "Hallelujah" by Leonard Cohen)

C Am
I heard there was a sacred line
C Am
That Euclid made, and it pleased the mind
F G C G
But you don't really care for Euclid, do ya?
C F G
Well it goes like this: the chord, the kiss
Am F
The tangent line to the circle's rift
G E Am
The baffled man constructing hallelujah

F Am
Hallelujah, hallelujah
F C G C
Hallelujah, hallelu - jah

Your mind was strong, but you needed proof
You saw the line and you saw the truth
Its beauty in the firelight overthrew ya
But it tied you down with shackles bare
Opened your eyes and fixed your stare
E/B
And from your breath it drew the hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah

Baby, I've been here before
I've sailed that sea and I've walked that shore
I used to sail alone before I knew ya
I carved our bed, I heard the muse
But love is not a vict'ry cruise
It's a cold and it's a wailing hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah
